

SHOOTERS and FISHERS

Protect your freedoms & the future of outdoor sports

Important message.

Tasmania is a unique island with family's going back generations. We tend to know our neighbors and people all over the island. This closed society tends to polarize us when faced with change.

There is a big change coming your way in the form of the Legislative Council election on May 6th.

Will you vote to keep your outdoor lifestyle.

SHOOTERS and FISHERS

Protect your freedoms & the future of outdoor sports

This workshop is delivered by Jeff and Nicole Bourman, they used this method to successfully gain a seat in the Upper House in Victoria. It is designed for people who are interested in assisting the party leading up to and after an election. Also for members who would like to stand as a candidate in future elections.

Date of training course: Saturday 8th July 2017

Venue and times to be advised.

This is a one off opportunity for members to gain skills to win elections. There are limited places so please book your spot early. email or call Lorraine.

The executive are working on many different projects, two main ones are Aquatic Bio-security and our Salmon Industry. Our stand on land based salmon farms in the future is supported by Huon Aquaculture, they are currently researching a pilot program.

The Executive is still out there working for members at a hectic pace. We need members to hand out flyers in various area's of Rumney, and talk the talk.
