Protect your freedoms & the future of outdoor sports

Matthew Allen

SFPTas candidate Matthew Allen is a well-known personality. He has been very active in the TDAC as Chair for many years and up until the last AGM was the Chairman of the SFPTas. Matthew stepped down so he could concentrate on his family and the next election.

His knowledge is vast within the sporting arena; he is a keen Softball player with a passion for all outdoor activities. He also runs his own small business and is a partner in a family business. We are thrilled to have him as a candidate for the Upper House.

Cheryl Arnol

Is the highly talented and well-respected is an outstanding candidate, and will be standing as our candidate for Rumney. For almost 20 years, she has been involved in local government serving in the role of Councillor, Mayor and Deputy Mayor at varying times (currently Deputy Mayor of Glamorgan Spring Bay Council).

Cheryl is committed to ensuring that Tasmania's are not disadvantaged with laws that restrict them in the lawful pursuit of their outdoor activities. The time for the major parties to govern both houses of parliament is over.

Darryl Quilliam

SFPTas will not be nominating a candidate in Murchison. This is because long term Mayor of Circular Head, Mayor Darryl Quilliam is running as in independent.

Both my Vice Chair Ken Orr and I have had lengthy discussions with Darryl and he is supportive of our policies and has given firm commitments of ongoing support if he is elected. He comes from a rural background and a strong supporter of Hunting, shooting, fishing and 4wd access sports which has prompted him to sit for election. SF & F Tas intend to endorse Daryl as the "vote for" candidate in Murchison. Daryl is supported widely by a range of organizations within the electorate.
